

Learn how to...

Add your vaccination digital certificate to Service Victoria

Step 1: Download the Express Plus Medicare app, available on the App Store and Play Store.

Note: Make sure you have updated the Service Victoria app.

In the **App Store**, tap your profile icon, and scroll down to see pending updates.

In the **Play Store**, tap your profile icon, then select 'Manage apps & device'. If listed, tap the app to update.

Step 2: Open the Express Plus Medicare app, then select 'Proof of vaccinations'

 Proof of vaccinations >

Step 3: Select 'View history'

 View history

Step 4: Select 'Share with check in app'

 Share with check in app

Step 5: Select 'Share'

 Service Victoria Share

Step 6: Select 'Accept and share'

 Accept and share

Step 7: Select 'Add certificate'
